Vintage Air SureFit™ Gen IV System

Tri-Five Chevy SureFit - Now
Featuring Gen-IV Electronic
Technology!

Vintage Air SureFit Chevrolet a/c, heating and defrost systems are designed specifically for your classic Chevy. The Gen-IV SureFit systems require no fabrication and are designed to install using existing holes in your dash and firewall in most cases.

Vintage Air Gen IV Complete System

List \$1395

SALE \$1299.00!!

Get true bi-level air flow and Vintage Air's famous "just right temperature" air blending with our new Gen-IV technology. New separate heating and cooling coils and a SPAL permanent magnet blower motor give you the maximum capacity and performance available today. You simply plug in our exclusive electric potentiometer module to your factory deluxe 4 lever control assembly for a perfect factory look.

No more cables, manual valves or capillary tube to hassle with.

Vintage Air cable control complete system **\$1195.00**
